In the Matter of:

APPLICATION OF GRAYSON RURAL ELECTRIC)	
COOPERATIVE CORPORATION TO)	
PASS-THROUGH AN INCREASE OF ITS)	CASE NO.
WHOLESALE POWER SUPPLIER PURSUANT)	2006-00480
TO KRS 278.455(2))	

O R D E R

On January 29, 2007, Grayson Rural Electric Cooperative Corporation ("Grayson") submitted an application pursuant to the authority of KRS 278.455(2) and 807 KAR 5:007 to pass-through any wholesale rate adjustment granted to East Kentucky Power Cooperative, Inc. ("EKPC") in Case No. 2006-00472.¹ Grayson filed an entry of appearance by its legal counsel on February 15, 2007, and the application was accepted as filed on that date.

On April 1, 2007 in Case No. 2006-00472, the Commission authorized, subject to refund, an interim \$19.0 million annualized increase in EKPC's wholesale revenues, to be effective for service rendered on and after April 1, 2007. Therefore, pursuant to KRS 278.455 we authorized an interim increase in Grayson's revenues of \$443,608, effective for service rendered on and after April 1, 2007.

The Commission issued an Order this date in Case No. 2006-00472 approving the interim increase of \$19.0 million in annualized revenues as the final increase for EKPC. Consequently, the Commission finds that Grayson's April 1, 2007 interim

increase in revenues of \$443,608 should be approved as the final and permanent increase authorized in this proceeding.

In its July 25, 2007 Order in Case No. 2006-00517,² the Commission approved the transfer, or roll-in, of 6.51 mills per kWh from Grayson's Fuel Adjustment Clause to its base rates. The rates incorporating this roll-in were effective for service rendered on and after August 1, 2007. Grayson's base rates at the time of the roll-in reflected the \$443,608 interim increase in revenues approved by the Commission on April 1, 2007. As the Commission has found in this Order that the \$443,608 increase in revenues should be made permanent and no additional increase in revenues has been approved, no change or revision to Grayson's current rates will be necessary.

IT IS THEREFORE ORDERED that the April 1, 2007 interim increase in revenues of \$443,608 is approved as the final increase in revenues authorized in this proceeding. No change to Grayson's base rates is necessary.

Done at Frankfort, Kentucky, this 5th day of December, 2007.
